

Humanities: Sociology

Sociology is a wonderful combination of Humanities and Science. It is a fascinating subject that helps you to make sense of the world you live in and has strong links to subjects like Psychology, History, Geography and Religious Education.

Sociology is a demanding subject which requires you to think critically, and get involved in interesting debates about nature versus nurture, for example.

Team members:
Ms. C Broderick (KS4) Mrs T Brown (KS4) Mrs J Butcher (KS5) Mrs T Stanton (KS5)
